「On busy days too, Make sure you are well prepared, For stopping fires~」

Fire Prevention Division ☎427-0119

Fire Prevention Campaign for Fall 11/9 (Sun.) – 11/15 (Sat.)

- As the air gets drier and colder during this season, fire is both used more often and is easier to spontaneously break out. Let's think more about fire prevention and stop them from occurring altogether.
- During this period of time, the Municipal Fire Department will go around the city with fire trucks to appeal to citizens regarding the handling of fire with caution. We appreciate your cooperation.
- For preventing house fires before they happen, and for keeping damage to a minimum should the unthinkable happen, please keep the following in mind.

10 Points on House Fires and Protecting Your Life

4 Habits

- Never smoke or allowing smoking while laying down.
- Do not leave flammable items next to the stove.
- Do not leave burners unattended.
- Clean dust off of outlets and unplug unnecessary items.

6 Countermeasures

- To prevent fires, use stoves and burners with built in safety functions.
- For discovering fires early, inspect your fire alarms regularly, and aim to replace them every 10 years.
- To prevent fires from spreading, tidy your rooms and use fire resistant bedding, clothing, and curtains.
- For putting out fires early, have a fire extinguisher, etc. and know how to use it.
- For the elderly and those with disabilities, make sure you are prepared with an evacuation route and method.
- Participate in fire safety training and prepare local countermeasures like door-to-door safety checks, etc.
